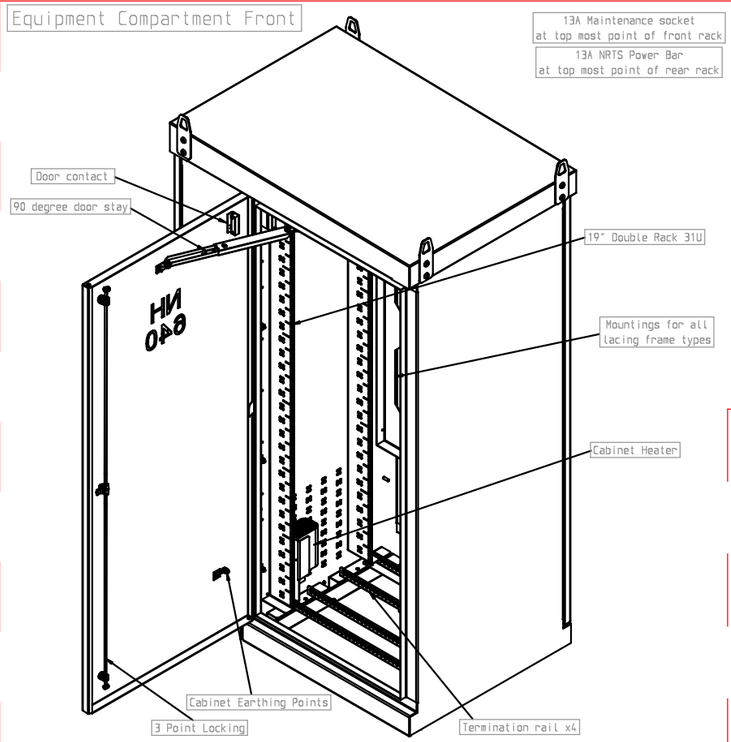
To enable 180 degree opening door on Power Bay the 90 degree door stay must be removed

Equipment Compartment Front



Power Bay

Cabinet Weight:230Kg
Maximum Lifting Weight not to Exceed 876kg

NH640 Combined Cabinet

The Cabinet Type 640 (Combined Equipment Cabinet) is a development of the Cabinet Type 600 (Motorway Communications Cabinet) and the Cabinet Type 609 (Electrical Interface Cabinet). Intended to be deployed where space restrictions preclude the use of the two separate cabinets together on the same site.
